The Clear Creek Community Services District will hold a public hearing on May 7, 2026, at 6:00 PM during its regular Board meeting.

This hearing will consider a proposed \$25 monthly Service Availability Fee. This fee would apply only to parcels that have water infrastructure available (curb stop installed) but are not currently connected to active service.

What to expect:

- The hearing will be conducted as part of the regular Board meeting
- Property owners have the opportunity to submit written protests prior to the close of the hearing
- Each parcel is entitled to one protest
- Protests are counted at the conclusion of the hearing

If a majority of affected parcel owners submit valid written protests, the proposed fee will not be adopted.
