WELCOME JASON

The Board of Directors would like to welcome Jason Taylor and his family to the Clear Creek Community. The Clear Creek Community Services District Board of Directors looks forward to his contributions and support and appreciates his

willingness to serve as part of the board.

WATER PROJECT UPDATE- Project Coordination Meeting Update

District representatives recently met with Pacific Gas and Electric Company, Cox and Cox, and Pace Engineering regarding ongoing coordination for the District's water system improvement project.

Topics included utility coordination, construction scheduling, project planning, and next steps to keep improvements moving forward efficiently.

Residents may also notice that ground has now been broken at the top of the hill where the new reserve tank will be located, marking another important milestone in the project.

We appreciate the continued cooperation of all parties involved as this major investment moves forward for the benefit of the community.

New CCR Is Now Available Online

We are pleased to announce that our 2025 CCR is now available for review. We have enclosed a copy of it with your bill, and they may also be found on our website at clearcreekcsd.specialdistrict.org.
